Re: Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans.

Transcontinental Gas Pipe Line, Company, LLC's Motion to Intervene
Docket No. 2017-370-E

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina ("Commission") that ORS has reviewed and supports the filing submitted by Transcontinental Gas Pipe Line, Company, LLC ("Transco") requesting the Commission reconsider its denial of Transco's Petition to Intervene.

ORS believes that the issues raised by Transco in its Motion for Reconsideration are very relevant to the issues to be considered by the Commission in this docket. Further, ORS believes that Transco is in a unique position to offer testimony concerning the potential effects of a Dominion – SCE&G merger on South Carolina gas customers.
